

Love Is a Wonderful Thing

Michael Bolton

Birds fly, they don't think twice
They simply spread their wings
The sun shines, it don't ask why
Or what the whole thing means
The same applies to you and I
We never question that
So good, it's just understood
Ain't no conjecture, it's just a matter of fact
Love is a wonderful thing
Make ya smile through the pouring rain
Love is a wonderful thing
I'll say it again and again
Turn your world into one sweet dream
Take your heart and make it sing
Love, love, love is a wonderful thing
Oh yeah
The only thing a river knows
Is runnin' to the sea
And every spring when a flower grows
It happens naturally
The same magic when you're in my arms
No logic can define, oh no
Don't know why, just feels so right
I only know it happens every time
Love is a wonderful thing
Make ya smile through the pouring rain
Love is a wonderful thing
I'll say it again and again
Turn your life into one sweet dream
Take your heart and make it sing
Love, love, love is a wonderful thing
Oh, when the cold wind blows
I know you're gonna be there to warm me
That's what keeps me goin'
And our sweet love gonna keep on growin', just keep on growin'
Love is a wonderful thing
Make ya smile through the pouring rain
Love is a wonderful thing, oh yeah
I'll say it again and again
And turn your world into one sweet dream
Take your heart and make it sing
It's love, love, love is a wonderful
Love, love, love is a wonderful
Love, love, love is a wonderful thing
Love is a wonderful, wonderful thing
Love is a wonderful, wonderful thing
