Sadomasochist

Front Line Assembly

Keeping Your mind strong
Turn the bass on
Feed the fire
Let's get higher
Gotta get this thing down
Gotta get my load up
Show no emotion
Drown in the ocean
Put a gun to Your head
You took a hit
And rocked Your head
You took a hit
And now You're dead
Anyhow
Anywhere
Anyplace, Anytime You will lose it
Anyhow
Anywhere
Anyplace
Anytime
