

# Waiting Is a Drug

K'naan

Advisory - the following lyrics contain explicit language:

So good things comes for those wait, sure  
I've waited about pop pop pop pop  
That's four cousins shot  
I got grudges, let's discuss this  
My music needs no touch ups  
I got a long record of fuck ups, trust me  
You don't know who has this weight of mine,  
Or a life as hard as mine  
I had to hustle, chop, sell drugs, grind  
Whatever you wanna call it is fine,  
But just listen  
And don't prejudge  
I don't want anyone dissmisin' me as another thug or some shit like that  
No sir, if I fall I will get right back  
I got circumstances, but let me stop dancin' around the issue  
And tell you straight forward, I'm poor  
A refugee been in prison and survived the war  
I come from the most dangerous city in this universe  
You're likely to get shot at birth So how could rap quench my thirst?  
I don't even hear verses no more!  
I hear jerkin' off punks with lip glosses and purses!  
I don't see nobody operating shit anymore I see nurses!  
Fuck that! I'm gonna stay alive! I'd rather do a stage dive! And if rap gets jealous  
'Cause I rock heavy  
It don't worry me if motherfuckers don't get it  
Yo if rap gets jealous  
'Cause of where I'm headed  
I used to be public enemy, don't forget it  
And if rap gets jealous, 'cause rock heavy  
It don't worry me if motherfuckers don't get it  
Yo if rap gets jealous  
'Cause of where I'm headed

Aggression! Obsession! With pain! Live a game! So yeah

Basically I gotta release, occasionally

I gotta let you know what's goin' on with me

And facing me, 'are some tough choices

I got a good side and bad side, inside my head

I hear screams and loud voices

And I can't lie I ain't got shit, I ain't got to brag,

I'm hard pressed for some cash to send to my I'll dad

You're so superficial?, of course it's for shizzle?

Now my choice is to piss on you, boy

'Cause my mission is the world

To know, my name, my aim, is plainly success

But I still gotta come fresh! So how could rap quench my thirst?

I don't even hear verses no more!

I hear jerkin' off punks with lip glosses and purses!

I don't see nobody operating shit anymore I see nurses!

Fuck that! I'm gonna stay alive! I'd rather do a stage dive! And if rap gets jealous

'Cause I rock heavy

It don't worry me if motherfuckers don't get it

Yo if rap gets jealous

'Cause of where I'm headed

I used to be public enemy, don't forget it

And if rap gets jealous, 'cause rock heavy

It don't worry me if motherfuckers don't get it

Yo if rap gets jealous

'Cause of where I'm headed

Aggression! Obsession! With pain! Live a game! That's what it is, it's pain, you know what I'm saying?

I don't know man it's like

You spend years developing your artistry

Know what I'm sayin'? Perfecting your skills

Yeah, you can't do shit with it,

That has gotta be Fucked up!, know what I'm sayin'?

That's gotta be Fucked up, you know

Just imagine like, imagine you build a Fuckin' castle

And you can't live in it, That's what it is

You can't live it, you know

And you got problems, you got family

I got family, moment of truth right?

And I still gotta come fresh! So how could rap quench my thirst?

I don't even hear verses no more!

I hear jerkin' off punks with lip glosses and purses!

I don't see nobody operating shit anymore I see nurses!

Fuck that! I'm gonna stay alive! I'd rather do a stage dive! And if rap gets jealous

'Cause I rock heavy

It don't worry me if motherfuckers don't get it

Yo if rap gets jealous  
'Cause of where I'm headed  
I used to be public enemy, don't forget it  
And if rap gets jealous, 'cause rock heavy  
It don't worry me if motherfuckers don't get it  
Yo if rap gets jealous  
'Cause of where I'm headed  
Aggression! Obsession! With pain! Live a game! And if rap gets jealous  
'Cause I rock heavy  
It don't worry me if motherfuckers don't get it  
Yo if rap gets jealous  
'Cause of where I'm headed  
I used to be public enemy, don't forget it  
And if rap gets jealous, 'cause rock heavy  
It don't worry me if motherfuckers don't get it  
Yo if rap gets jealous  
'Cause of where I'm headed  
Aggression! Obsession! With pain! Live a game! And if rap gets jealous, 'cause rock heavy  
It don't worry me if motherfuckers don't get it  
Yo if rap gets jealous  
'cause of where I'm headed  
Aggression! Obsession! With pain! Live a game!
