# Hardware Store

## "Weird Al" Yankovic

[sound effects from tools]Nothin' ever (ever) happens in this town
Feelin' low down (down), not a lot to do around here
I thought that I would go right outta my mind
Until a friend told me the newsHe said, "(Hey), you know that vacant lot
Right beside the gas station? Well, somebody bought it
And on the spot they're gonna build a shop
Where we can go buy bolts and screws"Since then I've been walking on air (air)
I can barely brush my teeth or comb my hair
'Cause I'm so excited and I really don't care
I've been waiting since last JuneFor this day to finally arrive
I'm so happy (happy) now just to be alive
'Cause any minute now I'm gonna be inside
Well, I hope they open soonI can't wait no, (no I) I can't wait (oh when)
When they gonna open up that door?
I'm goin' (yes I'm) goin', I'm a-goin' to the
Goin' to the (hard) ware I'm goin', really goin' to the
Goin' (hard) I'm goin' to the (hard) oh yes, I'm goin' to the
Hardware storeIn my sleeping bag I camped out overnight
Right in front of the store, then as soon as it was light out
I pressed my nose right up against the glass
You know, I had to be first in lineGonna get me a flashlight and a broom
Want a pair of pliers for every single room in my house
See those hacksaws? Very, very soon
One of them will be all mineGuys with nametags walking down the aisles
Rows of garden hoses that go on for miles and miles
Brand new socket wrenches in a plethora of styles
All arranged alphabeticallyAnd they're doing a promotional stunt
There's a great big purple sign out front
That says every 27th customer
Will get a ball peen hammer freeI can't wait no, (no I) I can't wait (oh when)
When are they gonna open up that door?
I'm goin' (yes I'm) goin', I'm a-goin' to the

Goin' (hard) I'm goin' to the (hard) oh yes, I'm goin' to the
Hardware storeI'm goin' (yes I'm) goin', I'm a-goin' to the
