[sound effects from tools]Nothin' ever (ever) happens in this town Feelin' low down (down), not a lot to do around here I thought that I would go right outta my mind Until a friend told me the newsHe said, "(Hey), you know that vacant lot Right beside the gas station? Well, somebody bought it And on the spot they're gonna build a shop Where we can go buy bolts and screws"Since then I've been walking on air (air) I can barely brush my teeth or comb my hair 'Cause I'm so excited and I really don't care I've been waiting since last JuneFor this day to finally arrive I'm so happy (happy) now just to be alive 'Cause any minute now I'm gonna be inside Well, I hope they open soonI can't wait no, (no I) I can't wait (oh when) When they gonna open up that door? I'm goin' (yes I'm) goin', I'm a-goin' to the Goin' to the (hard) ware I'm goin', really goin' to the Goin' (hard) I'm goin' to the (hard) oh yes, I'm goin' to the Hardware storeIn my sleeping bag I camped out overnight Right in front of the store, then as soon as it was light out I pressed my nose right up against the glass You know, I had to be first in lineGonna get me a flashlight and a broom Want a pair of pliers for every single room in my house See those hacksaws? Very, very soon One of them will be all mineGuys with nametags walking down the aisles Rows of garden hoses that go on for miles and miles Brand new socket wrenches in a plethora of styles All arranged alphabetically And they're doing a promotional stunt There's a great big purple sign out front That says every 27th customer Will get a ball peen hammer freeI can't wait no, (no I) I can't wait (oh when) When are they gonna open up that door? I'm goin' (yes I'm) goin', I'm a-goin' to the Goin' to the (hard) ware I'm goin', really goin' to the Goin' (hard) I'm goin' to the (hard) oh yes, I'm goin' to the Hardware storeI'm goin' (yes I'm) goin', I'm a-goin' to the Goin' to the (hard) ware I'm goin', really goin' to the Goin' (hard) I'm goin' to the (hard) oh yes, I'm goin' to the Hardware store(breathe)
