

# A Teenager In Love

## Dion & The Belmonts

Each time we have a quarrel  
It almost breaks my heart  
'Cause I'm so afraid  
That we will have to part  
Each night I ask  
    The stars up above  
    Why must I be  
A teenager in love? One day I feel so happy  
    Next day I feel so sad  
    I guess, I'll learn to take  
The good with the bad  
'Cause each night I ask  
    The stars up above  
    Why must I be  
    A teenager in love?  
    I cried a tear  
    For nobody but you  
    I'll be a lonely one, if you  
Should say we're through  
Well, if you want to make me cry  
    That won't be so hard to do  
    And if you should say goodbye  
I'll still go on loving you  
Each night I ask  
    The stars up above  
    Why must I be  
    A teenager in love? I cried a tear  
    For nobody but you  
    I'll be a lonely one, if you  
    Should say we're through  
Well, if you want to make me cry  
    That won't be so hard to do  
    And if you should say goodbye  
I'll still go on loving you  
Each night I ask  
    The stars up above  
    Why must I be  
    A teenager in love? Why must I be  
    A teenager in love?  
    (In love)  
    Why must I be  
    A teenager in love?  
    (In love) Why must I be  
    A teenager in love?
