

Can I Take U Home

Jamie Foxx

You know what I want, want
I know what you want, want
Tell me what I want, want
I'll tell you what you want, want
You know what I want, want
I know what you want, want
Tell me what I want, want
I'll tell you what you want, want So many ladies in the room (in the room)
All that I can see is you (see is you)
This dime piece is in this place (place)
But you came through and took the case (woo) 'Cause I know what I like
And I know what I want
And I know how to get it
Let me in your world (yeah)
Yes, I know what I like
And I know what I want (want)
And I know how to get it
Let me prove it to you one on one Can I take you home, girl? (Can I take you home, girl?)
Get you all alone, girl (get you all alone, girl)
And do you like I want to (yeah)
Kiss you like I want to (kiss it like I want to)
Can I take you home, girl?
Get you all alone, girl (get you all alone, girl)
And do you like I want to
Kiss you like I want to
And love you like I want to I'm staring at you eye to eye (eye to eye)
I'm nothin' like these other guys (other guys)
Let me drop this on yo' mind (on yo' mind)
I'm not here to waste your time 'Cause I know what I like (I know what I...)
And I know what I want (I know what I...)
And I know how to get it
Let me in your world (woo)
Yes, I know what I like
And I know what I want (what I want)
And I know how to get it
Let me prove it to you one on one Can I take you home, girl? (Can I take you home, girl?)
Get you all alone, girl (get you all alone, girl)
And do you like I want to
Kiss you like I want to (kiss you, kiss you)

Can I take you home, girl? (Can I take you home, girl?)
Get you all alone, girl (and get you all alone, girl)
And do you like I want to (and do you, do you, do you, do you)
Kiss you like I want to
And love you like I want to I don't wanna leave (I don't wanna leave)
Unless you leavin' with me, babe (you leavin' wit' me, babe)
Now I believe in fate
It's like heaven sent you, girl (heaven sent you to me)
I don't wanna leave (I don't wanna leave)
Unless you leavin' with me, babe (you leavin' wit' me, baby)
Now I believe in fate
It's like heaven sent you, girl You know what I want, want
I know what you want, want
Tell me what I want, want
I'll tell you what you want, want
You know what I want, want
I know what you want, want (I know what you want, want you, know what I want, want)
Tell me what I want, want
I'll tell you what you want, want Can I take you home, girl? (Can I take you home, girl?)
Get you all alone, girl (get you all alone, girl)
And do you like I want to (and do you like I want to)
Kiss you like I want to (kiss you like I, oh)
Can I take you home, girl? (I'm just down the street, baby)
Get you all alone, girl (come and go wit' me)
And do you like I want to (and do you like I want...)
Kiss you like I want to (kiss you like I...)
And love you like I want to (love you like I want to, babe)
