

Fixin' To Thrill

Dragonette

Oh no
Who's got you all dressed up in those clothes?
Said, I don't know
But you're gonna need some help out of those
Oh, you're alright, you're alright, you're alright
But you smell like your mama is smoke
So tell her, tell her, you tell her I said hello
Oh, we could do it any way you want
We only like you 'cause you're cute and young
You gotta work what daddy gave you, son
Go on and show me that you know how to use it
And do your duty
And get on the floor
Don't make a fuss, just do it
Look out I'm fixing to thrill
We know you're one of us
What's all the fuss?
Just do it
Uh huh
I'm fixin' to thrill
Yeah the girls, the girls they're looking round
For trouble all sorts
And the boys, they offer diamonds
But they're giving them quartz
That's alright, it's alright, it's alright
We'll get you something that you can't get at home
And your mama, your mama
She don't know what she don't know
So we could do it any way you want
We only like you 'cause you're cute and young
You gotta work what daddy gave you, son
Come on and show me that you know how to use it
And do your duty
And get on the floor
Don't make a fuss, just do it
Look out I'm fixing to thrill
We know you're one of us
What's all the fuss?
Just do it

Uh huh
I'm fixin' to thrill
Yeah, do it
I'm fixin' to thrill
And get on the floor
Don't make a fuss, just do it
Look out I'm fixing to thrill
We know you're one of us
What's all the fuss?
Just do it
Look out
I'm fixin', fixin' to thrill
And get on the floor
Don't make a fuss, just do it
Look out I'm fixing to thrill
We know you're one of us
What's all the fuss?
Just do it
Look out
I'm fixin' to thrill
I'm fixin' to thrill
