

# Move To Miami (feat. Pitbull)

## Enrique Iglesias

[Verse 1: Enrique Iglesias]

She gon' make you move to Miami  
She moving like a gypsy (gypsy, gypsy)  
Her body got me tipsy  
I should take a step back, fall back  
This girl got me feelin' risky  
She ready for the taking  
And I got the motivation (yeah!)

'Cause when you see her dance there's a chance  
You might not come home from vacation [Pre-Chorus: Pitbull, Enrique Iglesias]

And if you look you'll fall in love  
She got that ass, she make it clap  
She'll leave you shook  
And now you hooked  
The way she dance

She gon' make you move to Miami

[Chorus: Enrique Iglesias]

She gon' make you  
She gon' make you move  
She gon' make you move to Miami  
She gon' make you
