

Burn The Disco Out

Michael Jackson

There's a steam beat
And it's comin' after you
You can take it
If you only let your feelin's through
So DJ spin the sounds
There ain't no way that you're gonna
Let us down
Gonna dance, gonna burn this disco out
Groove all night
Keep the boogie alright
Get that sound
Everybody just get on down
Got a hot foot
Better freak across the floor
Join the party
And we'll keep you movin', that's for sure
So DJ spin the sounds
There ain't no way that you're gonna
Sit us down
Gonna dance 'til we burn this disco out
Groove all night
Keep the boogie alright
Get that sound
Everybody just get on down
Once you get the beat inside your feet
There ain't no way to stop, you movin' good
Now the weekend's come it's time for fun
You got to groove just like you know you should
People now
Are you ready?
Won't you rock across the room
Got a feelin'

That we're gonna raise the roof off soon
So DJ spin the sounds
There ain't no way that your gonna
Sit us down
Gonna dance 'til we burn this disco out
Groove all night

Keep the boogie alright
Get that sound
Everybody just get on down
Groove all night
So DJ spin the sounds
There ain't no way that you're gonna
Sit us down
Gonna dance 'til we burn this disco out
Groove all night
Keep the boogie alright
Gonna dance, gonna shout
Gonna burn this disco out
Get that sound
Everybody just get on down
Gonna dance, gonna shout
Gonna burn this disco out
Groove all night
Keep the boogie alright
Gonna dance, gonna shout
Gonna burn this disco out
Get that sound
Everybody just get on down
Groove all night
Keep the boogie alright
Gonna dance, gonna shout
Gonna burn this disco out
Get that sound
Everybody just get on down
