Who Can Be Against Me

The O.C. Supertones

It seems like everything I touch just falls to pieces
It seems like everyone I help just falls
And how I need someone to make me feel assured
I don't need anyone if you're on my side, LordAnd I say, hey, who can be against me?
I say, hey, who can be against me?
(No one)No matter how hard I try I always fail, I'll never be like Christ
I know I'll struggle until the day, the very day I die
And how I need someone to make me feel assured
I don't need anyone if you're on my side, LordAnd I say, hey, who can be against me?
I say, hey, who can be against me?
(No one)God look at me, I'm just a man
But you tell me I'm not just a man
You're so hard to understand
After all I'm just a manGod you tell me not to doubt
But I'm always plagued by doubt
And you always help me out
I'm so ashamedGod look at me, I'm just a man
But you tell me I'm not just a man
You're so hard to understand
After all I'm just a manGod you tell me not to doubt
But I'm always plagued by doubt
And you always help me out
I'm so ashamedAnd I say, hey, who can be against me?
And I say, hey, who can be against me?
And I say, hey, who can be against me?
And I say, hey, who can be against me?
(No one)
