

# Forgiven

## Skillet

Forgive me now 'cause I have been unfaithful  
Don't ask me why 'cause I don't know  
So many times I've tried but was unable  
This heart belongs to You alone Now I'm in our secret place  
Alone in Your embrace  
Where all my wrongs have been erased  
You have forgiven All the promises and lies  
All the times I compromise  
All the times You were denied  
You have forgiven Forgive me I'm ashamed, I've loved another  
I can't explain 'cause I don't know  
No one can take Your place and there is no other  
Forever Yours and Yours alone Now I'm in our secret place  
Alone in Your embrace  
Where all my wrongs have been erased  
You have forgiven All the promises and lies  
All the times I compromise  
All the times You were denied  
You have forgiven I get down on my knees  
Feel Your love wash over me  
There will never be another  
You're the only one forever And You know, I'm Yours alone I'm in our secret place  
Alone in Your embrace  
Where all my wrongs have been erased  
You have forgiven All the promises and lies  
All the times I compromise  
All the times You were denied  
You have forgiven You have forgiven  
Forgiven  
Forgiven  
Forgiven
