Do It Again (Instrumental)

Lady Wray

Verse
If you wanna pack your bags, go on ahead
A'int no use in being friends, if you can't hear what I"m saying, to you
One of us needs to say it,
stop dragging it in the dirt now,
One of us gonna get hurt now
So hard when you know it, the love has left the build
and we can't talk about itChorus
We roll the dice
And we lost in the end
Though our luck has run out
I would do it again
Verse
You know all the good and bad things that I've done
You're the best I've ever had
You pull me through
Baby I rely on you
The two of us
The two of us needs to say it
Stop dragging it in the dirt now
One of us gonna get hurt now
So hard when you know it, the love has left the build
and we can't talk about it
