They Don't Know

Baby Boy da Prince

Advisory - the following lyrics contain explicit language:

Baby Boy, Nina Sky
Baby Boy, Nina SkyThey don't know how you make me feel
And they don't know what you do to me
Just nobody has to know, nobody has to knowThey don't know how you make me feel
And they don't know what you do to me
Just nobody has to know, nobody has to knowLook, they don't really know 'bout the things that I do
And they don't really know about the pain we go through
So I shot down everything and I gotta let you know
This industry shit hard and it ain't no jokePaparazzi in my face, paparazzi in my hair
Paparazzi over here, paparazzi over there
But I don't care 'cuz I'm always on time
Right in up in the game, now I finally got the limelightSexy rock star and she's pretty like a mutha, man
I'll crack up if she leave me for another man
Yeah, you know I'm real and, yeah, you know the deal
I just gotta let you know how you really make me feelThey don't know how you make me feel
And they don't know what you do to me
Just nobody has to know, nobody has to knowThey don't know how you make me feel
And they don't know what you do to me
Just nobody has to know, nobody has to knowI be happy every time I hug my girl
I be happy every time I rub my girl
And I love her so much, I'd give her the world
The moon, the sun, and the stars up aboveOur love, man, is so outrageous
Our trust, man, is so amazing
Disgustin' never my baby
Fussin', no, not latelyEvery time I'm with my girl, man, it drives me crazy
I try not to lie 'cuz I don't want her to hate me
I gotta keep it real, I gotta keep it trill
If I didn't do this shit this wouldn't be the way I live'Cuz I can't get you off of my mind, boy
I'm grateful everyday that you mine
Tried lovin' but I could not find one
But lovin' you has taken me highThey don't know how you make me feel
And they don't know what you do to me

Just nobody has to know, nobody has to knowThey don't know how you make me feel
And they don't know what you do to me
Just nobody has to know, nobody has to know
