

Missin' You Crazy

[Jon Pardi](#)

Been runnin' this highway like a Greyhound
Ain't nothin' left for me to see
And sometimes I just wish that I could break down
And get on back to you and me
Take the next flight and leave this crazy life
Get back home in time to kiss you goodnight[Chorus]
And oh, oh, oh lately all I think about
Oh, oh, oh is what we could be doin' now
Oh, oh, oh baby, here I go again
Missin' you crazySittin' here listenin' to your sweet voice
Talkin' on the telephone
It's makin' me realize I ain't got no choice
Between stayin' here or gettin' gone
I'm gonna say, goodbye, yeah, I'm gonna fly
Get these arms of mine back where they belong[Chorus]
And oh, oh, oh lately all I think about
Oh, oh, oh is what we could be doin' now
Oh, oh, oh baby, here I go again
Missin' you crazyAnd oh, oh, oh lately all I think about
Oh, oh, oh is what we could be doin' now
Oh, oh, oh baby, here I go again
Missin' you crazyMissin' you crazy
