

River Euphrates

Pixies

Ride, ride, ride
Ride, ride, ride
Ride, ride, ride Stuck here out of gas
Out here on the Gaza Strip
From driving in too fast Let's ride the Tiger down river Euphrates
Let's ride the Tiger
Let's ride the Tiger down river Euphrates
Let's ride the Tiger
Let's ride the Tiger down river Euphrates
Let's ride the Tiger Ride, ride, ride
Ride, ride, ride
Ride, ride, ride Dead sea make it float
One sip from the salty wine
Dead sea make you choke Let's ride the Tiger down river Euphrates
Let's ride the Tiger
Let's ride the Tiger down river Euphrates
Let's ride the Tiger
Let's ride the Tiger down river Euphrates
Let's ride the Tiger Alright
Alright
Let's ride the Tiger
