

# Fake Plastic Trees

## Marillion

Her green plastic watering can  
For her fake Chinese rubber plant  
In the fake plastic earth That she bought from a rubber man  
In a town full of rubber plants to get rid of itself  
It wears her out, it wears her out  
It wears her out, it wears her out Now she lives with a broken man  
A cracked polystyrene man  
Who just crumbles and burns He used to do surgery for girls in the eighties  
But gravity always wins  
And it wears him out, it wears him out  
It wears him out, it wears Now she looks like the real thing  
She tastes like the real thing  
My fake plastic love Oh, but I can't help the feeling  
I could blow through the ceiling  
If I just turn and run  
And it wears me out, it wears me out  
It wears me out, it wears me out If I could be who you wanted  
If I could be who you wanted all the time  
All the time
