

# Please Forgive Me

David Gray

Please forgive me  
If I act a little strange  
For I know not what I do.  
Feels like lightning  
Running through my veins  
Every time I look at you.  
Every time I look at you. Help me out here  
All my words are falling short  
And there's so much I want to say.  
Want to tell you just how good it feels  
When you look at me that way, ah  
When you look at me that way. Throw a stone  
And watch the ripples flow  
Moving out across the bay  
Like a stone I fall into your eyes  
Deep into that mystery, ah  
Deep into some mystery. I got half a mind  
To scream out loud  
I got half a mind to die  
So I will never have to  
Lose you girl  
So I won't ever have to say goodbye  
I won't ever have to lie.  
Won't ever have to say goodbye. Whoa I,  
Whoa I,  
Whoa I  
Please forgive me  
If I act a little strange  
For I know not what I do.  
Feels like lightning  
Running through my veins  
Every time I look at you.  
Every time I look at you.  
Every time I look at you.  
Every time I look at you.
