

She's My Baby

Fats Domino

Yes she's my baby, my baby, when I'm feeling blue
Well she's my baby, my baby, when I'm feeling blue
Well she's my baby, my baby, knows just what to do Well she's my baby, my baby, when I'm feeling blue
Well she's my baby, my baby, when I'm feeling blue
Well she's my baby, my baby, knows just what to do
