

# Perfect Harmony

## Rags Cast

intro

when i first saw you, didnt know what to think  
but something about you is so interesting  
i could see me and you being best friends  
the kinda friends that finish each others sentences  
when i cant think of the right words to say  
i just sing ohh-ohh-ohhh  
ohh-ohh-ohhh

Come on and harmonize with my melendy and we'll sing ohh-ohhh-ohhhhh  
Aint it a Perfect Harmony.

I would've never Thought i'd be here with you  
To start a friendship that is so brand new  
Its so amazing i'll have to say

never met someone that had so much in common with meeeee  
now i can look into your eyes all day and just sing ohh-ohh-ohhh  
ohh-ohh-ohhh

i wanna harmonize with your melendy and we'll sing ohh-ohh-ohhh  
Aint it a perfect Harmony

Sometimes in your life time you look and you search for someone just to care  
look around and It was there  
and we didnt need to go no where

When i cant think of the right words to say (the right words to say) i just sing  
ohh-ohh-ohhh  
ohh-ohh-ohhh(woahh-oh-woah)

come on and harmonize with my melendy (yeah) and we'll sing  
ohh-ohh-ohhh

Aint it a perfect harmony
