Only see, somehow it always seems  
That I'm learning or something I can never be  
It doesn't matter to me  
'Cause I will always be that pimp  
I see in all my fantasiesI don't know your fucking name  
So what? Let'sScreaming to be the only way  
That I can truly be free  
From my fucked up real life  
So I dream and stroke it harder  
'Cause its so fun to see my  
Face staring back at meI don't know your fucking name  
So what? Let's fuckAll day I dream about sex  
All day I dream about fuckingAll day I dream about fuckingAll day I dream about sex, Yes  
All day I dream about sex  
And all day I dream about sex, Yes  
All day I dream about sexAnd all day I dream about sex, Yes  
All day I dream about sex  
And all day I dream about sex, Yes  
All day I dream about sexAll day I dream about sex  
All day I dream about fuckingAll day I dream about sex  
All day I dream about fucking
