Neckbone

MGS

Neckbone or backbone, neckbone or back
Neckbone or backbone, neckbone or back
Neckbone or backbone, neckbone or back
You got no fiction if you've got no factNeckbone or backbone, neckbone or back
Neckbone or backbone, neckbone or back
Neckbone or backbone, neckbone or back
You got no fiction if you've got no factNeckbone or backbone, your choice for the breakin'
You're thinkin' for a minute your choice might be takin'
Mistaken for some good or some bad
You see what you got, I see what you hadThere ain't no difference in the left, right
There ain't no difference in the blind, sight
Now stop for a minute 'cause your head is gettin' spastic
Paper or plastic, paper or plasticSituation no win is the sin, so you rush for a change
But the change has just always been the same
Same fools still trippin' off same old ways
New fools just thinkin' about some better daysTransparent, apparently you let it all pass
A kick in the head, a kick in the ass
It's all the same to me, yeah
It's all the same to meNeckbone or backbone, neckbone or back
Neckbone or backbone, neckbone or back
Neckbone or backbone, neckbone or back
You got no fiction if you've got no factFire or freezin', dried up or bleedin'
Just when it's over you get
What you're needin', too much or no time
Shut up, it's all mine and I let it go like thatNeckbone or backbone, neckbone or back
You got no fiction if you got no fact, yeahKobayashi Maru, what you gonna do?
Am I gettin' through, am I gettin' through?
Yeah, yeah, yeahF-f-five triple zero
Yes, you are no hero
You stop wait, and why
Oh w-w-where, oh where can I be?
You must understand that the world is crazy, it's not for meThis is combat rock for the masses
But you know I fear that the masses
Need to get their asses kicked
Quick, step on up!Neckbone or backbone, neckbone or back
Neckbone or backbone, neckbone or back
Neckbone or backbone, neckbone or back
You got no fiction if you've got no factNeckbone or backbone, neckbone or back
Neckbone or backbone, neckbone or back

Neckbone or backbone, neckbone or back
You got no fiction if you've got no factNeckbone or backbone, neckbone or back
Neckbone or backbone, neckbone or back
Neckbone or backbone, neckbone or back
You got no fiction if you've got no fact
