# All for You

## Jonah33

His time with them had stopped
It's time for Him to carry out His Fathers will
He said, Hed drink this cup
Hes told them all along that He would go
They could not follow Him
But Hell be back for them, my friendAnd now He sweats these drops of blood
And He prays, Take this cup from Me
But He knows theres no other way
His Fathers will, He said
Hed take your sin, your shame
Your place upon that cross of pain and die for youThere's no way to repay
All the pain He went through for you
His reason, simply His love
It's time to see the truth
Understand there's nothing you can do
His reason is simply youIt was all for, it was all for you
He bled and He died for youWe live by grace through faith alone in Jesus Christ
Who died to set us free from chains our flesh can give
You know that even if you were the only one He died for
That means only your sins drove the nailsThere's no way to repay
All the pain He went through for you
His reason, simply His love
It's time to see the truth
Understand there's nothing you can do
His reason is simply you, simply youIt was all for, it was all for you
He bled and He died for youIt was all for, it was all for you
He bled and He died for youNo time to hesitate my friend
No time to second guess His love
There's nothing else that you can do
He already gave it all for you
All for you, all for you, all for you, simply youIt was all for, it was all for you
He bled and He died for youIt was all for, it was all for you
He bled and He died for youAll for you
All for you
All for you
