

# When The Lady Smiles

## Golden Earring

When the lady smiles, you know it drives me wild  
Her lips are warm and resourceful  
When her fingertips, go drawing circles in the night  
And the mood is soft and sensual, huh  
And I love it, yeah, I love it It's the answer to all my dreams  
Hey, every time it feels like the earth is shakin'  
It doesn't matter, a glass is fallin', hear it shatter  
Maybe it's raining, faster and faster  
Shadow dancin', together oh I'm bettin' on the game of love  
Oh, oh, oh I, I'm bettin' that love is gonna come out  
When the walls no longer shout, back at me  
And I'm feelin' proud When the lady smiles, she holds me in her hand  
As a matter of fact, she could always let me down  
But when the lady smiles, I can't resist her call  
As a matter of fact, I don't resist at all  
'Cause I'm walking on clouds and she is leadin' the way My friends tell me, she's the beast inside your paradise  
I guess you've heard it all before  
A fallen angel, that has got you hypnotized  
And that always needs some more, huh  
And I love it, yeah I love it She's done nothin' to mislead me  
'Cause every time we meet the earth is shakin'  
It doesn't matter, a glass is fallin', I hear it shatter  
Maybe it's rainin', faster and faster  
Shadow dancin', together oh I'm bettin' on the game of love  
Oh, oh, oh I, I'm bettin' that love is gonna come out  
When the walls no longer shout, back at me  
And I'm feeling proud When the lady smiles, she holds me in her hand  
As a matter of fact, she could always let me down  
But when the lady smiles, I can't resist her call  
As a matter of fact, I don't resist at all  
'Cause we're walkin' on clouds and she is leadin' Oh no, oh no, oh no
