

Halloween

The Dream Syndicate

There is a place you might wanna go
it's right up my street
you might look and see the light shining
someone you might like to meet
He said "let's go for a ride"
says it all the time
you know you got a lot to live for
and you're gonna be mine
You shouldn't believe the things you read in papers
they can't come true
I don't believe the things that you see on TV
they'll never happen to you
2 steps forward
don't say I didn't warn you
2 steps forward
I didn't warn you.
