Awake the Unkind

UNKLE

I think you're standing
In the wake of my only
Big mistake
And all I do is think
We look inside me
To find another take
Well it's make
Or break
Got one chance to take
And you look
And you find
And you wake
The unkind
Guess the stake
In my mind
Is driven by your kind
I know you're stranded
For the sake of [you for me]
You take
And all you do is sink
Into the picture
Of another scandalous creature
And all you do is sink
'Cause you look
And you find
And you wake
The unkind
Guess the stake
In my mind
Is driven by your kind
When you look
You will find
That the stake
Is entwined
In your fake
Calloused mind
Nothing but delight
