

Stupid In Love (Chew Fu Small Room Fix)

Rihanna

Mmm, stupid in love
Oh, stupid in love, hmm Let me tell you something
Never, have I ever been a size 10 in my whole life
I left the engine running
I just can't see
What you would do if I
Gave you a chance to make things right
So I made it even though Katie
Told me that this would be nothing but a waste of time
And she was right, hmm
Don't understand it but on your hands
Just knew that you're sister repeated you're trying to tell me lies
And I just don't know why, oh
This is stupid, I'm not stupid
Don't talk to me like I'm stupid
I still love you but I just can't do this
I may be dumb but I'm not stupid My new nickname is "you idiot" (such an idiot), hmm
That's what my friends are calling me when they see me and ringing to my phone
They're telling me let go
He is not the one
I thought I saw your potential
Guess that's what made me dumb
He don't want it
Like you want it, screaming and cheating
Oh, girl why do you waste your time?
You know he ain't right
You telling me this, I don't wanna listen
But oh, ya sis repeated you're trying to tell me lies
And I just don't know why
This is stupid, I'm not stupid
Don't talk to me like I'm stupid
I still love you but I just can't do this
I may be dumb but I'm not stupid Tryna' make this work
But you act like a jerk
Silly of me to keep holdin' on
But the dumb's cap is off
You don't know what you've lost
And you wore all your lies
Till I'm gone, gone, gone...

But I was the one, which one of us is really gone
No, no, no-o, I'm not stupid in (Love) This is stupid, I'm not
stupid

Don't talk to me like I'm stupid

I still love you but I just can't do this

I may be dumb but I'm not stupid
I may be dumb but I'm not stupid in love
