

# Goodnight Mr Spaceman

## Television Personalities

Well they gave me amytriptiline  
They fed me pseudochlorophine  
It helped me sleep  
But I felt so deep  
And most of the time I wanted to weep  
The days seemed black just like the night  
A big long tunnel without lights  
Where everything's dark then everything's bright  
Oh, the train's gone past my station  
Oh bloody hell I wish I'd signed to Creation  
Singing goodnight Jowe, goodnight Dan  
Goodnight Mr. Spaceman  
Goodnight Mr. Spaceman  
Well I think I'll die of a broken heart  
If my record doesn't make the indie charts  
I'll do anything  
I'll swallow my pride  
Commit artistic suicide  
And I dig St. Etienne, Denim and Suede  
And naturally I go to the occasional rave  
But when I was young it was Wizzard and Slade  
Oh, this record is sponsored by Pepsi  
I've taken three e's I still can't dance like Bobby Gillespie  
And maybe...Singing goodnight Jowe, goodnight Dan  
Goodnight Mr. Spaceman  
Goodnight Mr. Spaceman  
And I like to walk around the town  
With my trousers halfway down  
And I often feel like Edvard Munch  
If my analyst calls I'm out to lunch  
Singing goodnight Jowe, goodnight Dan  
Goodnight Mr. Spaceman  
Goodnight Mr. Spaceman  
[What's a nice alien like you doing in a place like this?]  
Goodnight Jowe, goodnight Dan  
Goodnight Mr. Spaceman  
Goodnight Mr. Spaceman  
Goodnight Jowe, goodnight Dan  
Goodnight Mr. Spaceman  
Goodnight Mr. Spaceman  
[This is Planet Earth]  
Goodnight Jowe, goodnight Dan  
I'm off my face
