Change Up

Wale

Konvict, Konvict
We never change over here
Street Fam, Konvict
If I?m your man and you?re my man
You ain?t gotta worry 'bout where we stand
But you cross the man, you force my hand
And changin' who I am ain?t part of my plan
'Cuz I will not change up, no
Said, I will not change up, no
Now I don?t know if I should hug 'em or slug 'em now
And I don?t know if I should cap 'em or dap 'em now
But I know that it?s feelin' funny now
Maybe it?s 'cuz I?m gettin' this money now
You see, things ain?t the same
I said, things ain?t the same
No, things ain?t the same
And I know I ain?t changed
Yo, I make the money but don?t let it make me
So even if I go broke, nigga, you couldn?t break me
Watch how long it take me to jump back on my feet
Quick as when the barrells jump back on the heat
Y'all don?t wanna see me jump back in the streets
So be happy that I ride through slumped back in the seats
Bein? broke is a joke, I never found it funny
That?s why I count my blessings as much as I count my money
If I?m your man and you?re my man
You ain?t gotta worry 'bout where we stand
But you cross the man, you force my hand
And changin' who I am ain?t part of my plan
'Cuz I will not change up, no
I said, I will not change up, no
Some niggas change when they get change
Funny when they get money
Switch when they get rich, stray when they got paid
Hah, but I stresses you to holla
'Cuz they never made bullet proof vesses outta dollars
We never change, this is us every day
I call them boys up, they gon' bust every day
They ride high like them Cus' Chevrolets

Like old wax and Kane lookin' for his cousin killas
I got a dozen killas for niggas who doesn?t feel us
I changed for a reason but homie, it wasn?t scrilla
They can?t say that nothing change but my clothes
Oh, I?m lyin', I do change up my hoes
I pitch game, you should see the change up I throws
Ain?t gotta get 'em to ring to get 'em to swing
I?m a team player, if I win, then we won
They gon' put us all in the Hall of Fame when we done
If I?m your man and you?re my man
You ain?t gotta worry 'bout where we stand
But you cross the man, you force my hand
And changin' who I am ain?t part of my plan
'Cuz I will not change up, no
Said, I will not change up, no
Now I don?t know if I should hug 'em or slug 'em now
And I don?t know if I should cap 'em or dap 'em now
But I know that it?s feelin' funny now
Maybe it?s 'cuz I?m gettin' this money now
You see, things ain?t the same
I said, things ain?t the same
No, things ain?t the same
And I know I ain?t changed
Money can?t buy happiness but it?s a damn good down payment
I don?t talk much, feel like I?m around agents
The game ain?t what it used to be
I?m the same but these lames ain?t used to me
Them other niggas be full of they selves
Get money and disappear, try to pull a Chappelle
Well, I ain?t hidin', I?m ridin', I ain?t duckin', I?m buckin'
I ain?t hangin', I?m bangin', I ain?t runnin', I?m gunnin'
If I?m your man and you?re man
You ain?t gotta worry 'bout where we stand
But you cross the man, you force my hand
And changin' who I am ain?t part of my plan
'Cuz I will not change up, no
I said, I will not change up, no
Now I don?t know if I should hug 'em or slug em now
And I don?t know if I should cap 'em or dap 'em now
But I know that it?s feelin' funny now
Maybe it?s 'cuz I?m gettin' this money now
You see, things ain?t the same
I said, things ain?t the same
No, things ain?t the same
And I know I ain?t changed
