World Is Fire

Corey Hart

I see you there but I don't know you now
The face you wear is not the same
And there you stand so involved somehow
Igniting some other lover's flame

Do you want me out
Do you want to knock me down
Well you're doin' fine
Do you want my heart
Do you want the life in me
For your security

The world is fire now
It's burning inside of me
I said, the world is fire now
And I can't see the days in front of me
I can only see the ways you're haunting me
I said, the world is fire

Feel the bitterness invade us now
Eroding what was never really mine
Don't talk to me about vulnerability
Exploiting what was given so honestly

And I said, do you want me out
Do you want to knock me down
Well you're doin' fine
And do you want my heart
Do you want the life in me
For your security

Oh, The world is fire now
It's burnin' inside of me
I said, the world is fire now
I can't see the days in front of me
I can only see the ways you're haunting me
I say, the world is fire now

The world is fire now
I said it's fire now

Oh, you know the world is fire now
I said, it's fire now, now
I said, it's fire now
I know its fire now
Oh, fire now
I said, it's fire now, now
Fire now
I said, it's fire now.
