Heartbreaker

Crazy P

You're no good, heartbreaker
You're no good (heartbreaker)

I said if you leave me I'm a go crazy
You got the power

You're no good, heartbreaker
You're no good, h-heart-heartbreaker

I said if you leave me I'm a go crazy
You got the power

You're no good, heartbreaker
You're no good, h-heart-heartbreaker

I said if you leave me I'm a go crazy

You're no good, heartbreaker
You're no good, h-heart-heartbreaker

I said if you leave me I'm a go crazy
You got the power
