Redbone Girl

Eric Benet

Young Weezy We and Eric B, uh huh
And I love all women (if you know what I mean)
Yes lord, I love them dark, I love them light
Short, tall, thick, thin and back one more again (alright)
But itâ€™s this one particular situation I need to tell you all about

I met a honey about a week ago
I got a little but I need some more
I ainâ€™t the only one to learn her curves
Matter of fact, forget what you heard
Sheâ€™s all, sheâ€™s all that and more, ye yeah
Yes she is
Her reputation ainâ€™t squeaky clean
A little gossip ainâ€™t phasing me
So go ahead, say what you want
You can give a damn, but I donâ€™t
'Cause Iâ€™m gone, Iâ€™m already gone
Yes I am
Donâ€™t you know sheâ€™s

Sheâ€™s my redbone girl
A bitter sweet but sheâ€™s my world
Coffee cream, thick and lean
My redbone girl, redbone girl, yeah

Our baby hail from the Oakland Bay
Got an east coast vibe but a southern mind
A devil mind with an angel face
Sheâ€™ll leave and make a nonbeliever pray
For a chance, just to get something
Yes she will
Ooh you donâ€™t know what you do to me
But youâ€™re killing the girls in my history
I need a shot just to let her hit
She give me two when I need a fix
Lord knows Iâ€™ve tried but I swear I canâ€™t quit
'Cause donâ€™t you know sheâ€™s my

Sheâ€™s my redbone girl
Redbone but sheâ€™s my world

Have you seen my chocolate dream
My redbone girl, redbone girl
Sheâ€™s my redbone girl
A bitter sweet but sheâ€™s my world
Coffee cream, thick and lean
My redbone girl, redbone girl, ooh

I like the long hair thick redbone
I do it so right, she say Iâ€™m dead wrong
And now she in love, like phase on
Now Iâ€™m in my zone, I got her head spinning, spinning like a cyclone
And itâ€™s them red women at my red eye zone
I get at red, at red dot com
Iâ€™m high and my girl high yella
Fine as wine, put her in a wine cellar
Roses are red, do you mind if I smell them
What can you do, Consuela, Consuela
I like them light skin, lighter than a feather
And if she red hot, Iâ€™m biting that pepper
Tighter than my leather pants, let 'em say
She the same color as my flag

Sheâ€™s my, redbone girl
Right or wrong, sheâ€™s my world
Have you see, my milk chocolate dream
My pretty pretty baby, yeah
Sheâ€™s my, redbone girl,
A bitter sweet, but you know sheâ€™s my world
Coffee cream, thick and lean
Redbone girl, my redbone girl, yeah yeah yeah yeah yeah
