

Rock And Roll Doctor

Little Feat

There was a woman in Georgia, didn't feel just right
She had fever all day and chills at night
Now things got worse, yes a serious bind
At times like this it takes a man with some style
like you not often find
A doctor of the heart and a doctor of the mind
If you like country with a boogie beat
He's the man to meet
If you like the sound of shufflin' feet
He can't be beat (I said, he can't be beat)
Oh, If you wanna feel real nice
Just ask the rock and roll doctor's advice
It's just a country town, but patients come
From Mobile to Moline from miles around

Nagodoches to New Orleans
In beat-up old cars and in limousines
To meet the doctor of soul
He's got his very own thing
Two degrees in be-bop, a Ph.D. in swing
He's the master of rhythm
He's the rock 'n roll king
If you like country with a boogie beat
He's the man to meet (well he's the man to meet)
If you like the sound of shufflin' feet
He can't be beat (I say he can't be beat)
If you... If you wanna
If you wanna feel real nice
Just ask the rock and roll doctor's advice
