Through Your Eyes

Nina Kinert

We've been drifting sadder than ghosts
Silently building the walls
Between us
Parallel lines you know
They never touch
And I see
All that you are to me
Through your eyes
Through your eyes
I see
All these moments slide into years
Suddenly strangers again
Please tell me
We can be close
Closer than we've ever been

And I see
How much you need me
Through your eyes
Through your eyes
I see
And I needed to hear
That I was getting better
You needed to hear
That I love you now more than ever
And I see
How much you love me
Through your eyes
Through your eyes
Through your eyes
I see
