

# Moonlight Waltz

## Theatres Des Vampires

She looks so pale  
Within her misty veil  
She scales the sky  
From east to west  
And takes no rest "Before the coming  
Of the night  
The moon shows papery white  
Before the dawning  
Of the day  
She fades away Take my life  
'til the end of our time  
Take my hands  
'til the sun begins to shine Before she sleeps  
She dances the moonlight waltz  
She climbs the sky  
From side to side  
She embraces the rising tide Before the coming  
Of the night  
The moon shows papery white  
Before the dawning  
Of the day  
She fades away
