

# Wet Blanket

Metz

Im passed out on the floor  
I wish you would  
Stop the room from spinning round  
Your eyes are burning and theres noting I can do about it Youll never be the same x 2 Wet blanket Im waiting in  
the dark  
Cant hold it in  
Please, please give me what I need  
My patience is wearing thin Youll never be the same x 2  
Wet blanket
