

# I Had Too Much To Dream (Last Night)

## The Electric Prunes

Last night your shadow fell upon my lonely room  
I touched your golden hair and tasted your perfume  
Your eyes were filled with love the way they used to be  
Your gentle hand reached out to comfort me, knowThen came the dawn and you were gone  
And you were gone, gone, goneI had too much to dream last night  
Too much to dream  
I'm not ready to face the light  
I had too much to dream  
Last night, last nightThe room was empty as I staggered from my bed  
I could not bear the image racing through my head  
You were so real that I could feel your eagerness  
And when you raised your lips for me to kissCame the dawn and you were gone  
And you were gone, gone, goneI had too much to dream last night  
Too much to dream  
I'm not ready to face the light  
I had too much to dream  
Last night, last nightI had too much to dream last night  
Too much to dream  
I'm not ready to face the light  
I had too much to dream  
Last night, last nightOh too much to dream  
Oh too much to dream  
I had too much to dream last night  
Oh too much to dream  
Yes I had too much to dream  
I had too much to dream
