

Not Proud of the USA

The Mice

Dad, you say you're proud of the USA
You're so proud of the USA
Well it fools you in many ways

Dad, the blood of the indian tribes
Was a spilled so we could have such vibes
While we wave flags above their graves

Dad, I'm not proud of the USA
I'm not proud of the USA
I'm not proud of the USA

Man, look at Rome and Babylon
Even Egypt sat beneath the Sun
Now it looks like its days are done

And yes, God was on their side, too
Just as you say he is to you
And leagues of Americans too

Dad, I'm not proud of the USA
I'm not proud of the USA
I'm not proud of the USA

When I was a boy I was taught to believe
America was all that was
And just because

And that red, white and blue
Could justify everything you do
As long as you had pride
Deep down inside

But there's a world out there
There's a world out there
There's a world out there
There's a world out there
We've got to care
We can't raise the flag up everywhere

Dad, I'm not proud of the USA

I'm not proud of the USA

I'm not proud of the USA

Man, you see I ain't got no time to stay

My mama heard my words and then she ran away

She called the FBI and CIA

Cause Dad, I'm not proud of the USA

I'm not proud of the USA

I'm not proud of the USA

Not ... proud of the USA

Not ... proud of the USA

Not ... proud of the USA

Not ... proud of the USA
