

# Desperate People

## Hillsong United

You crossed the great divide, You took our place  
You offered up Your life, for we had failed  
The veil was torn and love remained  
You are holy, Lord Distraction costs us, how we seek Your face  
We offer up our lives to bring You praise  
A love the walls cannot contain  
You are holy, Lord We're rising up in spirit and in truth  
A living sacrifice, we worship You  
People undivided, Lord, hear us sing  
We are Yours and You are our King This is our love, hearts joined as one  
Desperate for all You are  
Lord, break down these walls and see how we love  
Desperate for all You are, we chase Your heart We didn't come to leave here entertained  
Or worship under any other name  
We're crying out for You alone  
You are holy, Lord We're rising up in spirit and in truth  
A living sacrifice, we worship You  
People undivided, Lord, hear us sing  
We are Yours and You are our king This is our love, hearts joined as one  
Desperate for all You are  
Lord, break down these walls and see how we love  
Desperate for all You are, we chase Your heart Show us the way to Your heart We found our voice, we found our  
cause  
We're on our knees, the carpet's worn  
As we join our hearts with distant shores  
And sing to You, Lord This is our love, hearts joined as one  
Desperate for all You are  
Lord, break down these walls and see how we love  
Desperate for all You are This is our love, hearts joined as one  
Desperate for all You are  
Oh Lord, break down these walls and see how we love  
Desperate for all You are, we chase your heart
