No Way Out

together PANGEA

I know what you are thinkin'
I know what you have done
Even if you haven't done it
I know I'm not the only one
There's no way out
There's no way out
There's no way out
There's no way out
I tell you what I am thinkin'
I tell you what I have done
And even if I don't tell you
You know you're not the only one
There's no way out
There's no way out
There's no way out
There's no way out
Every time I try to sleep
I feel this need
I feel weak
I feel weak
I'll never know what you're thinkin'
You'll never know what I've done
There's no way out
There's no way out
There's no way out
There's no way out
