

# Saw a New Morning

Bee Gees

All of a sudden I saw a new morning  
I'm locked up I want to be free  
Out in the courtyard and over the wall then  
My friends are waiting for me Sixteen people are waiting to get me  
Hoping to take me outside  
I hear the sound of the snubnose behind me  
I went along for the ride Wind in my face and my bones they are aching  
My soul must weather the storm  
I must run till my back it is breaking  
Desp'rately I must keep on Sixteen people are waiting to get me  
Hoping to take me outside  
I hear the sound of the snubnose behind me  
I went along for the ride La...  
All of a sudden I saw a new morning  
I went along for the ride All of a sudden I saw a new morning  
All of a sudden I saw a new morning  
All of a sudden I saw a new morning I saw a new morning (repeat 3 more times )
