Hymn For The Missing (Guillotine Remix)

Red

I tried to walk together
But the night was growing dark
Thought you were beside me
But I reached and you were gone
Sometimes I hear you calling
I hear you crying softly
Tried to walk togetherWhere are you now?
Are you lost?
Will I find you again?
Are you alone?
Are you afraid?
Are you searching for me?
Why did you go? I had to stay
Now I'm reaching for you
Will you wait? will you wait?
Will I see you again?
Will I see you again?
Will I see you again?
Will I see you again?You took it with you when you left
These scars are just a trace
Now it wanders lost and wounded
This heart that I misplacedWhere are you now?
Are you lost?
Will I find you again?
Are you alone?
Are you afraid?
Are you searching for me?
Why did you go? I had to stay
Now I'm reaching for you
Will you wait? will you wait?
Will I see you again?
