OhI wanna know your name
You just kill me, could you at least do that?
I wanna know your name
Or better yet, stand there
Just do thatI wanna know your name
Your name
You just kill me, could you at least do that?
I wanna know your name
Your name
Or better yet, stand there
Just do thatHey yeahI wanna know your name...
Know your name...
I wanna know your name...
Know your name...Uh!
Oh yeahI wanna know your name
You just kill me, could you at least do that?
I wanna know your name
Know your name
Or better yet, stand there
Just do thatHey yeah!
Oh yeah!I wanna know your name...
Know your name...
I wanna know your name...
Know your name...Uh
