

# One (Original Mix)

## Killer iNdustries

OhI wanna know your name  
You just kill me, could you at least do that?  
    I wanna know your name  
    Or better yet, stand there  
Just do thatI wanna know your name  
    Your name  
You just kill me, could you at least do that?  
    I wanna know your name  
    Your name  
    Or better yet, stand there  
Just do thatHey yeahI wanna know your name...  
    Know your name...  
    I wanna know your name...  
    Know your name...Uh!  
    Oh yeahI wanna know your name  
    You just kill me, could you at least do that?  
    I wanna know your name  
    Know your name  
    Or better yet, stand there  
    Just do thatHey yeah!  
    Oh yeah!I wanna know your name...  
    Know your name...  
    I wanna know your name...  
    Know your name...Uh
