Out of Reach

Gran Ronde

Launch the ships
The walls are closing in
Close our eyes
In the deepest darkness
Sail away, sail away to find them
Half a life, half a life among light
Sail away, sail away to find them
Half a life, half a life amongst them
Out of reach
Too far gone to be saved
Hear the sound
The call is to believe
Husbands and sons
Are lost to their sea
Sail away, sail away to find them
Half a life, half a life amongst them

Out of reach
Too far gone to be saved
Out of reach
Taken by the waves
By the waves
The light that shines
Will dull the eyes
The light that shines
Will dull the life
Out of reach
Too far gone to be saved
Out of reach
Taken by the waves
Out of reach, out of reach
Out of reach
Too far gone to be saved
