

# In england

## Fischer-Z - Red skies over paradise

Colorful compartments  
Desert island views  
Elusive in England  
Forget the fabrications  
Give us all a clue Have faith in horizon  
Intercity interlude  
Jack and Jill rub thigh's  
And think it's rude  
Keeping close along the line  
Lovers losing sense of time In England  
Ooh that's nice, ooh paradise Many manifestos  
Nailed up on the wall  
Out of the blue  
Only for you Printed regulations  
Quick to disapprove  
Restrictions, restrictions Skin and bones can't find a way  
The British blues today  
Underneath the surface laughter  
Voices quiver in the dark In England  
Ooh that's nice, ooh paradise
