Blast Off

Willie Taylor

We done said all we can speak
And I done ate all I can eat
And you'd know just what I want, hey
And I done touched on every spot
It's a pool inside your box
And I'm ready to take a dive inAnd I wanna take your body to the moon
Let the countdown begin, you're coming soon
5, 4, 3, 2, 1, BLAST OFF
Hope that you're ready, cause we going out of space
Saturn to Mars, Jupiter to Uranus,
When we BLAST OFF, gonna love it,
Gonna love it, when we BLAST OFF
Buckle your seatbelt, it's all about safety
Riding this ship and headed towards the city
So we can BLAST OFF, gonna love it
Gonna love it, when we BLAST OFFLeave our love it's on the moon
Tell the stars we'll be there soon
'Cause can't nobody do it like you
Like we do it, like we do it baby
How we do
Then we'll lay on Saturn's rings
When we touch here heaven sings
See we're touching, oh we're touching
And I wanna take your body to the moon
Let the countdown begin, you're coming soon
5, 4, 3, 2, 1, BLAST OFF
Hope that you're ready, cause we going out of space
Saturn to Mars, Jupiter to Uranus,
When we BLAST OFF, gonna love it,
Gonna love it, when we BLAST OFF
Buckle your seatbelt, it's all about safety
Riding this ship and headed towards the city
So we can BLAST OFF, gonna love it
Gonna love it, when we BLAST OFF
