Climbing To The Moon

Eels

So I wrote it all in a letter
But I don't know if it came
The nurse, she likes my writings
So she keeps it just like me
So that it won't get awayI won't be denied this time
'Fore I go out of my mind over matters
Got my foot on the ladder
And I'm climbing up to the moonGot a sky that looks like heaven
Got an earth that looks like shit
And it's getting hard to tell where
What I am ends
And what they're making me beginsAnd I won't be denied this time
'Fore I go out of my mind over matters
Got my foot on the ladder
And I'm climbing up to the moonSaturday in the yard, they'll bring you by
We'll lay down on the grass
And watch as the sky closes inAnd I won't be denied this time
'Fore I go out of my mind over matters
Got my foot on the ladder
And I'm climbing up to the moon
Climbing up to the moon
