

24 Hours of Loneliness

Classics IV

Nine o'clock I'm sad.
Ten o'clock I'm bloo-ue.
Twelve o'clock I lie awake,
Cryin' over you.

Chorus:
((24 hours o' loneliness.))
Miss you ev-er-y-day-ee,
Right on time.
((24 hours o' loneliness,))
A system that I u-oose,
To lose my miii-ind-yeah-haah.

One o'clock I'm dreamin',
How it used to be-ee-he.

Two o'clock I call your name,
But you don't answer me-ee.

((24 hours o' loneliness.))
Miss you ev-er-y-day-ee,
Right on time.
((24 hours o' loneliness.))
A system that I u-oose,
To lose my miii-iiind.
Yeah-eh-hooo.

Outro and fade.
((24 hours o' loneliness.))
Miss you ev-er-y-day-ee,
Right on time...
