Boom Boom Boom Boom

Generation 90

Vengaboys are back in town
If you're alone and you need a friend
Someone to make you forget your problems
Just come along baby take my hand
I'll be your lover tonight
This is what I wanna do
Let's have some fun
What I want is me and you
Boom, boom, boom, boom, I want you in my room
Let's spend the night together from now until forever
Boom, boom, boom, boom, I wanna double boom
Let's spend the night together, together in my room
Everybody get on down
The Vengaboys are back in town
This is what I wanna do
Let's have some fun
What I want is me and you
Boom, boom, boom, boom, I want you in my room
Let's spend the night together from now until forever
Boom, boom, boom, boom, I wanna double boom
Let's spend the night together, together in my room
Boom, boom, boom, boom, I want you in my room
Let's spend the night together from now until forever
Boom, boom, boom, boom, I wanna double boom
Let's spend the night together, together in my room
Boom, boom, boom, boom, I want you in my room
Let's spend the night together from now until forever
Boom, boom, boom, boom, I wanna double boom
Let's spend the night together, together in my room
Boom, boom, boom, boom, I want you in my room
Let's spend the night together from now until forever
Boom, boom, boom, boom, I wanna double boom
Let's spend the night together, together in my room
